6. [redacted] Bob Brandt on behalf of Congressman Selden said he had discussed the idea of the Director appearing before the full House Foreign Affairs Committee to discuss subversion in Latin America. Brandt advises the Chairman said he had no objection. They would like to do this on this coming Thursday, 11 May 1967, at two o'clock. I stated I would check this and advise.

7. [redacted] Dave Nicholas, in the office of Senator Kuchel, referred to a Peace Council meeting in Berlin which is holding a seminar this year as they did last year. Apparently a close friend of the Senator's has made inquiry as to whether any department of Government would like to have an observer participate. I said I would look into this and advise.

8. [redacted] Discussed with Mr. Blandford, House Armed Services Committee staff, a paper on a special project. He reviewed it and said it was just what he needed. In addition, he wanted a copy of the Director's remarks at the meeting of last week. We agreed I would furnish these to him tomorrow.
